

A wide-angle photograph of an Arctic landscape. The foreground is filled with numerous icebergs of various sizes and shapes, floating in a body of water. The icebergs have a white and light blue hue. In the background, there are dark, rugged mountains under a clear, light blue sky. The overall scene is serene and majestic.

The 6th Annual Arctic Exchange

Amsterdam 27-28 Sept 2018

A platform to forge business connections,
establish partnerships and to learn what's
shaping the future of the Arctic.
